All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.

Every error in the patent which was corrected in the present reissue application, and is not covered by the prior declaration submitted in this application, arose without any deceptive intention on the part of the applicant.

As a named inventor, I hereby appoint the attorneys/agents of Senniger Powers who are associated with Customer No. 000321 to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.
